CLICK

These soundless buttons let you exhaust your constant urge to click your pen without drawing attention to yourself.

SPIN

Take this dial for a spin and your worries will dissipate before you know it!

FLIP

On this side of the cube, a cool composure is as easy as flipping a switch!

ANALOG

The recreational gamer's best friend, take control of this joystick and battle away your apprehensions.

SOOTHE

Modeled off traditional worry stones, this side of the cube is intended to be rubbed for a soothing effect.

ROLL

The combination lock-type gears and ball on this side of the cube are intended to appease your fidgety tics.
